3.3.1 Selection and Appointment of New Directors

Danakali Ltd's Diversity Policy requires the Board to take diversity of background into account (in addition to previous board and leadership experience, candidates' skills and experience in a variety of specified fields) to fit and enhance the Board's composition.

In order to promote the specific objectives of gender diversity, Danakali Ltd's Diversity Policy requires that the selection process for Board appointments must involve the following steps (including where the Company engages an external recruitment agency to identify and assess candidates):

- Candidates should be selected from a diverse pool of qualified candidates. A wider candidate pool can be established by engaging a professional search firm and by advertising board vacancies;
- Use best endeavours to ensure a short-list identifying potential candidates for the appointment should include a mix of both male and female candidates where possible; and
- If, at the end of the selection process, a female candidate is not selected, the Board must be satisfied that there are objective reasons to support its determination.

3.3.2 Selection and Appointment of New Employees (Including Senior Management Roles)

In accordance with its Diversity policy, Danakali Ltd will seek to maintain diversity objectives by including the following steps:

- The Managing Director & CEO will have reference to the Diversity Policy in selecting and assessing candidates and in presenting recommendations to the Board regarding appointments to the executive team. The Policy requires the Board to also consider gender diversity and the objectives of the policy when considering those recommendations.
