Quarterly Report

For the period ended 31 December 2022

Danakali Limited (ASX: DNK, **Danakali**, or the **Company**) is pleased to provide this quarterly update on the activities and financial position of the Company and CMSC's Colluli Potash Project located in Eritrea, East Africa.

Corporate

Binding Share Sale Agreement Executed in Asmara for Sale of Colluli Interest

On 3 October 2022, the Company announced that it had executed a term sheet (**Term Sheet**) with Sichuan Road and Bridge Group Co., Ltd. (**SRBG**) (the **Purchaser**), for the sale of Danakali's 50% shareholding in Colluli Mining Share Company (**CMSC**).

During the December 2022 quarter, work progressed on the due diligence and on finalisation of the definitive share sale agreement.

Executive Chairman, Seamus Cornelius, Non-Executive Director, Paul Donaldson, and Chief Financial Officer, Greg MacPherson visited Asmara in early January 2023 to negotiate final terms of the transaction. On 12 January 2023, the Company announced that it had executed a binding share sale agreement (**SSA**) SRBG for US\$166 million in upfront cash and deferred payments (**Transaction**). The deal, net of all government taxes, means DNK will receive approximately US\$121 million.

As the Transaction constitutes the disposal of Danakali's main undertaking, the Transaction is subject to Danakali obtaining shareholder approval under ASX Listing Rule 11.2. The Company is in the process of preparing a notice of general meeting for this purpose, which will be distributed to shareholders in due course.

For further details, refer ASX Announcement dated 12 January 2023.

CMSC Debt Facility terminated with Afreixmbank and Africa Finance Corporation

Reference is made to the US\$200 million senior debt facility with African Export Import Bank (**Afreixmbank**) and Africa Finance Corporation (**AFC**) in relation to the development and construction of the Colluli Sulphate of Potash Project in East Africa (**Facility**) whereby Colluli Mining Share Company (**CMSC**) was the borrower and DNK was the guarantor (refer ASX Announcement dated 23 December 2019).

One of the conditions precedent to completion of the Transaction is termination of the Facility. CMSC has confirmed that it no longer requires the Facility to be made available to it. The Facility was terminated by CMSC with effect from 21 December 2022.

For further details, refer ASX Announcement dated 28 December 2022.

The Colluli Potash Project (**Project, Colluli**) is 100% owned by Colluli Mining Share Company (**CMSC**), a 50:50 Joint Venture between Danakali Limited (**DNK**) and Eritrean National Mining Corporation (**ENAMCO**)
