ASX Release:

20 July 2023

Quarterly Report

For the period ended 30 June 2023

Danakali Limited (ASX: DNK, **Danakali**, or the **Company**) is pleased to provide this quarterly update on the activities and financial position of the Company.

The three months to 30 June represented a quarter of transition for Danakali as it managed the handover of operational management of the Colluli potash project in Eritrea to new owners Sichuan Road and Bridge Group Co Ltd (**SRBG**).

During the June quarter, the Company also advanced the process of distributing 90% of the Colluli proceeds to shareholders, including obtaining further tax advice and engaging with the Australian Taxation Office (**ATO**).

In addition, Danakali is at an advanced stage of assessing a number of potential new opportunities for the Company in line with the strategy of being a leading exploration and development company in the critical minerals sector in Australia and Africa.

Corporate

Distribution of Funds

The Board remains committed to distributing approximately 90% of the net proceeds from the sale of Colluli to shareholders. The Board is moving forward with the formal application for a class ruling from the ATO regarding the Australian income tax outcomes of the proposed distribution. The class ruling application has been drafted by the Company's tax advisors and submitted to the ATO.

The timing of the distribution will depend on the progression of the class ruling process. The Company is working to expediate the process as quickly as possible, and will keep shareholders updated.

ASX Suspension

The Company's securities were suspended from quotation on the Australian Stock Exchange (**ASX**) from the close of market on 3 April 2023 following post the sale of Colluli Mining Share Company (**CMSC**), as the ASX determined that Danakali's operations were no longer adequate to warrant the continued quotation of its securities. The suspension will continue until Danakali is able to demonstrate compliance with Listing Rule 12.1 of the listing rules.
